

## All your protection under one roof®

At American Family Insurance we've made it our mission to add clarity, caring and convenience to a part of life that is often complicated, impersonal and unnecessarily time-consuming. We offer a variety of insurance products at fair and competitive rates. You should review your coverages if you answer yes to any of the following:

- Improved your home or bought a new home?
- Purchased a new vehicle?
- Graduated from school?
- Changed your marital status?
- Welcomed a new addition to your family?
- Have a new teen driver in your family?
- Purchased or received something valuable?
  - Jewelry
  - Motorcycle, boat or snowmobile
  - Computer
  - Started or added to a collection (e.g., coins, stamps, fine art, etc.)
- Started a new business or a new job?
- Thinking about retirement?

If you have not reviewed your insurance coverages lately, contact your local agent for a no-obligation personal insurance review. We'll review your current insurance for costly duplications and gaps in coverage.
