

# Create a Home Inventory

Homeowners insurance policies offer coverage for your personal property items up to your coverage C limit. Before meeting with your agent, it'll be helpful to create a home inventory of the following types of items (among other items in your home) to make sure you're properly covered:

Asset	Value	Asset	Value
Antiques			
Arts			
Collectibles			
Computers			
Electronics			
Game Systems			
Musical Equipment			
Sound Systems			
Sports Equipment			
Furniture			
Clothing			
Books			

Your policy provides limited coverage for the items below up to the limit listed. Fill out this list to find out if you need additional coverage:
